

Ultralife Corporation to Report Fourth Quarter Results on March 2, 2023

Feb 21, 2023

NEWARK, N.Y., Feb. 21, 2023 (GLOBE NEWSWIRE) -- Ultralife Corporation (NASDAQ: ULBI) will report its fourth quarter results for the period ended December 31, 2022 before the market opens on Thursday, March 2, 2023. We are reporting our quarterly results later than our customary reporting practice due to illnesses experienced by some members of our Accounting/Finance Team causing delays in the year-end closing and audit.

Ultralife's Management will also host an investor conference call and simultaneous webcast at 8:30 AM ET on March 2, 2023. Please see the new call-in procedures which follow below.

NOTE TO THOSE PLANNING TO PARTICIPATE BY PHONE:

Our investor conference call-in process has changed. To ensure a fast and reliable connection to our investor conference call, we now require participants dialing in by phone to register using this link: <https://register.vevent.com/register/BI14f42d8e56e64128b275289771b87060> prior to the call. This will eliminate the need to speak with an operator. Once registered, dial-in information will be provided along with a personal identification number. Should you register early and misplace your details, you can simply click back on this same link at any time to register and view them again.

A live webcast of the conference call will be available to investors in the Events & Presentations Section of the Company's website at <http://investor.ultralifecorporation.com>. For those who cannot listen to the live broadcast, a replay of the webcast will be available shortly after the call at the same location.
